

PURTEQ[®]

CITRAPUR[™]

CLEANING WIPES

UNDENIABLY SAFER AND EQUALLY POWERFUL

Hands-on convenience is not the only reason to use non-toxic CITRAPUR[™] Cleaning Wipes. QUAT-free, bleach-free, alcohol and peroxide free, these wipes can be safely handled without gloves, and without worry. CITRAPUR wipes use citric acid, a naturally occurring, biodegradable compound, that won't irritate skin, eyes or lungs.

Perfect for quick clean-ups and routine disinfecting on high touch point areas such as phones, elevators, credit card terminals and reception areas. Use on glass, vinyl, plastic, stainless steel, chrome, porcelain, and other non-porous surfaces. Ideal in food service environments as a No-Rinse Food Contact Cleaner. Easily as powerful as traditional wipes, without the toxic fumes or harsh chemicals.

BENEFITS OF NATURE'S TECHNOLOGY

CITRAPUR Cleaning Wipes contain mild, organic, citric acid. Citric acid lowers the pH levels allowing the cleaner to perform more effectively. CITRAPUR wipes have the highest EPA safety rating (Category IV) to clean surfaces in one easy step.
